(Mini-Session only)

To register or for more information, contact Diane at 717-741-1872 or visit the website at [www.seeandfeelfit.com](http://www.seeandfeelfit.com).

## **Reminder**

As contained in Chapter 16,  
Part I of the  
Codified Ordinances of  
Manchester Township:

Smoking at any Manchester  
Township park is prohibited  
in the following areas:

- Stage area at Cousler Park.
- All playground areas.
- All indoor facilities.

We also ask you to refrain  
from smoking in any area  
where large groups  
of children are at play.

## ***LOST AND FOUND***

A lost & found is located at the township office. If you are missing items and may have left them at one of our parks, please check at the municipal office at 3200 Farmtrail Road, York, PA 17406.

## ***“Gift of Life” Trees/Benches***

Donating a tree or bench is a great way to remember or honor someone special to you. Trees or benches may be placed at any of our eight parks. For additional information contact the Manchester Township Office at 717-764-4646.

## ***York County/ Martin Library Satellite***

## ***Osher Lifelong Learning Institute (OLLI)***

For adults who never stop experiencing life, there is a place and a community that celebrates learning in a relaxed and accepting environment. We invite you to join in a learning adventure through the Osher Lifelong Learning Institute at Penn State York (OLLI at Penn State York). OLLI is open to all adults who love to learn.

OLLI at Penn State York is an association of, by, and for older adults who wish to continue

to study and learn. OLLI is dedicated to the proposition that learning is a lifelong process and curiosity never retires. Members may participate in any OLLI activities, which include courses and special events. OLLI activities take place during the day. They are designed for pure enjoyment and there are no requirements, exams, or grades. All activities are designed by members for members.

There is a \$50 membership fee. For more information please call the OLLI office at **717-771-4015** or visit the website at <http://olli.yk.psu.edu>.

## ***Multi-Purpose Field Closing Information***

There is a variety of ways that you can find out the latest information on multi-purpose fields closings.

- On Twitter, you can either follow or check our Manchester Township Parks and Recreation page at [www.twitter.com/mantwprec](http://www.twitter.com/mantwprec) or our Manchester Township Field status Twitter page at [www.twitter.com/MT\\_Fields](http://www.twitter.com/MT_Fields). You do not need a Twitter account in order to view this information.
- If you "like" our Manchester Township Parks and Recreation on Facebook, you will be able to view field closing information from your Facebook page.
- On your cell phone, send a text message to 40404 with the phrase "Follow @MT\_Fields", you will receive all of our multi-purpose fields opening and closing information directly to your cell phone via text message.

If you have any questions about these methods, please contact 717-764-4646 for more information.

## **Motorized Vehicles at Township Parks**

Please observe Park Rule #12 when using all township parks:

The use of **MOTORIZED VEHICLES**, are **PROHIBITED** within Manchester Township Recreational facilities. The term "motorized vehicles" shall include, but not be limited to, licensed motor vehicles (three or four wheeled), snowmobiles and golf carts. Township vehicles are exempt.

## Leaf Collection

**Monday thru Friday  
October 26 - December 4, 2015**

- Rake your leaves to the curb. DO NOT put leaves in bags or put with regular garbage.
- No Grass Clippings!
- Please DO NOT place boards, wood, bricks, etc. on your leaves. These items can cause extensive damage to the leaf collection equipment.

**PLEASE NOTE:** Leaves will not be picked up according to a specific schedule because of unknown factors such as volume of leaves and uncertainty of weather conditions.

We appreciate your cooperation and patience.

## Reminder!!!

Do **NOT** place trash receptacles at your collection point **more than 24 hours** before the scheduled collection.

**THIS WOULD BE A VIOLATION** of section 20-105.1 of the Manchester Township Code of Ordinances.

It is also a violation of section 20-210 to steal recyclable materials from recycling containers.

## Remember to turn your clocks back!

Daylight Savings time ends:  
**Sunday – November 1, 2015**

Manchester Township now accepts:

For all transactions see page 23

## Leaves Don't Belong in the Storm Drain

When it rains, it drains! Clean up leaves from the storm drain at home, work or play.

For more information about what you can do to help keep clean water and save the Chesapeake Bay, contact the Watershed Alliance of York, Inc.

[www.watershedsyork.org](http://www.watershedsyork.org)

## RECYCLE

Please place all of your trash and recyclables at the curb by **6:00 am** the day of your scheduled collection.

Newspapers, magazines, junk mail, etc. must be bundled or placed in brown paper bags. #1 - #7 containers & bottles can also be recycled.

**PLEASE DO NOT** place recyclables in plastic bags.

## Office Closed:

September 7, 2015  
LABOR DAY

November 26 & 27, 2015  
THANKSGIVING

December 24, 25, 31, 2015  
CHRISTMAS

# Home Delivered Meals

Monday thru Friday  
11:00 am – 1:00 pm

The Home Delivered Meals Program is designed to provide a well-balanced daily meal to homebound older adults who are unable to prepare adequate meals for themselves and have no other means for assuring healthful nutrition.

On Monday, Wednesday and Friday, a hot meal is delivered to the older adult's home. Tuesday and Thursday meals are a cold bag lunch delivered with the previous day's hot meal.

Volunteers from the local senior center deliver the meals to the older adult's home. The Northeastern Senior Center is seeking volunteers for home delivered meals, please call 717-266-1400 if interested. Although this is a brief contact it does provide a check on the well being of the homebound individual. The home delivered meal service is not a cost shared service.

Monetary donations can be made to the York County Area Agency on Aging.

Care managers need to complete an in-home assessment to determine eligibility for Home Delivered Meals.

## Eligibility for Home Delivered Meals

To be eligible for Home Delivered Meals services an individual must be:

- A York County resident in a non-institutional setting.
- 60 years of age or older.
- Have a physical, mental or emotional disability, which prohibits the individual from leaving his/her residence on a regular basis and/or prevents them from preparing a nutritious meal.

Living alone or with someone who also meets the above criteria.

## Smoke Testing Sewer Lines

Monday through Friday  
7:00 am to 3:30 pm

**NOTICE** – Manchester Township Public Works Department periodically conducts smoke tests of the sanitary sewer lines.

Smoke **should not** enter premises unless a leak is present. This smoke is non-toxic, non-corrosive, and will not leave a stain. If smoke enters a home, it will soon dissipate. Opening doors and windows will help. Any presence of smoke within the house should be reported to the township office at **717-764-4646**. Avoid unnecessary exposure to the smoke. The smoke is relatively harmless, but all smoke is temporary and quickly disappears after exposure has ceased.

## VANDALISM COSTS YOU

Whenever there is a theft or disfigurement of road signs and other Township property, this vandalism costs tax dollars to replace and repair – dollars that could be spent elsewhere.

If you witness abuse of public property, please dial 911 to report it. If you have information after the fact, please report it to the Township office at 717-764-4646 or to the Northern York County Regional Police Department at 717-292-3647.

# ***Christmas Tree Recycling***

December 26, 2015 - January 31, 2016

Residents may bring their trees to York County  
Solid Waste Authority, 2700 Blackbridge Road

FACILITY OPEN 7 DAYS A WEEK  
DURING DAYLIGHT HOURS

FOR MORE INFORMATION VISIT  
WWW.YCSWA.COM

Curbside collection is provided, you may place your tree at the curb with your regular trash, and it will be **picked up by the township public works department December 28, 2015 thru January 8, 2016** and will be recycled.

## ***ELECTRONICS RECYCLING***

9:00 AM to 12:00 PM  
First & Third Saturday of every month  
at the

York County Solid Waste Authority's  
Yard Waste Transfer Facility  
2700 Blackbridge Road  
York, PA 17406

Residents, businesses, non-profits and institutions are eligible to participate and may bring up to three of each type of electronic device.

**There is no fee to participate.**

## ***Yard Waste Collection***

Penn Waste will be performing this service. Please visit the website for additional information: [www.pennwaste.com](http://www.pennwaste.com).

**Saturday – September 26, 2015**

**Saturday – October 24, 2015**

**Saturday – December 5, 2015**

Items will need to be placed at curbside by 6:00 am.

“Yard Waste” materials are defined as tree trimmings, shrubbery and any other organic landscape vegetation, **excluding grass clippings**.

Materials should be packaged as follows:

- Place items in either Biodegradable Kraft bags or tied in easily handled bundles.
- Bundles should be no longer than four (4) feet in length.
- Bundles should not weigh more than 30 lbs. each.
- Branches should not exceed 6 inches in diameter.

The following items should not be placed out for Yard Waste Collection:

- Leaf Waste (Note: Manchester Township provides this service)
- Dirt or Stones
- Fruits and/or Vegetables
- Any material in a Plastic Bag

## ***DO NOT DUMP!***

It is illegal to dump anything into the storm sewers located along the streets. Do not dump used oil, gasoline, or grass clippings into the storm sewers.

## *Tips from your Tax Collector*

It's tax time again and I'd like to remind you to **PLEASE WRITE A CONTACT NUMBER ON YOUR CHECK!** Unlisted phone numbers make it difficult to reach you if there is a question or problem with your check.

School real estate bills for the 2015-2016 tax year are mailed to the homeowner of record on June 15, 2015. Those properties enrolled in the Homestead/Farmstead relief program will show a discount on the school tax bill.

The rebate period for 2015 school tax payments ends at midnight on September 15, 2015. The window will be open from 9 am to 4:30 pm that day and a secure night slot is available on the outside of the township building for last minute payments. Please don't ask me to break the law and accept payments after the deadline.

Once again, Central York School District will be offering a three-installment payment option. To participate, you must pay the first installment by August 15th. Please note: the three installments add up to the FACE amount of the bill – meaning you forfeit the 2% discount. To get the discount you must pay the full rebate amount by September 15th.

Please call the tax office at 717-767-6689 with any questions.

Jean Stambaugh

MANCHESTER TOWNSHIP TAX COLLECTOR

## **SEWER BACKUP CLAIMS**

Under the Pennsylvania Governmental Immunity Statute, Manchester Township has limited legal responsibility for sewer and water backups. You should contact your homeowner's or commercial insurance agent to make sure you carry coverage for sewer and water backups under your homeowner's or commercial property policy. Some homeowner's policies do not include this coverage automatically. We recommend that you purchase this valuable coverage.

If you are a person with a disability and wish to attend any township meetings, please contact the office at least **three (3) business days prior** to discuss how your needs may be served.

### **WINDOW HOURS:**

**SUMMER HOURS** (through 8/31/15)  
**Tuesday & Thursday:** 9:30 am – 11:30 am

**REGULAR HOURS** (starting 9/1/2015)  
**Tuesday – Wednesday – Thursday:** Noon – 3pm

**SPECIAL HOURS**  
**Tuesday - September 15, 2015:** 9:00 am – 4:30 pm

When considering your Fall clean up and/or landscaping, please remember to keep your trees, hedges and bushes trimmed to no higher than three feet (3') within the clear sight triangle of any intersection of any street to improve safety and visibility.

## **REMINDER: TURN YOUR HEADLIGHTS ON!**

Penna. Act 229 of 2002, portions of which became effective on February 21, 2003, requires motorists to turn their headlights on when driving through a posted work zone.

Additionally, Act 229 establishes penalties for a motorist convicted of exceeding the work zone speed limit by 11 miles or more per hour by having his or her license suspended for 15 days.

# *Back To School Safety*

Fire Chief McCoy would like to remind drivers to be very aware when school is back in session and children will be walking to and from schools and bus stops. As autumn approaches, there will be less daylight and children will be out early in the morning and more difficult to see.

- Be watchful around schools and bus stops for children running into the street.
- Watch for children entering the street from behind buses or running to catch the bus.
- When driving your children to school, deliver and pick them up as close to the school as possible. Don't leave until they are safely on school grounds.
- Drive slowly when approaching children riding bicycles and walking near the street.
- Watch your speed when entering school zones.

## *TREE TRIMMING*

### **Ordinance #2014-01**

On January 6, 2014 the Manchester Township Board of Supervisors adopted Ordinance # 2014-01, establishing regulations which require property owners to maintain clearance of trees and similar vegetation from the street cart way (curb to curb) to a height above the cart way of fourteen (14) feet. Upon notification of a violation, the property owner shall have **30 days** to correct the violation prior to being subject to penalties.

Ordinance #2014-01 is available for review on the township web site [www.mantwp.com](http://www.mantwp.com).

# The Fire Department News

Hear the **BEEP**  
where you **SLEEP**

**EVERY BEDROOM  
NEEDS A WORKING  
SMOKE ALARM.**

**FIRE PREVENTION WEEK  
OCTOBER 4-10, 2015**

[firepreventionweek.org](http://firepreventionweek.org)

Sparky® is a trademark of NFPA.

1. Smoke detectors should be tested monthly using their test button.
2. Change the batteries in your smoke detector when you change your clocks.
3. Clear your home of all fire hazards. Discard unwanted and unused items.
4. Make sure all exits are accessible, and that everyone in your home knows what to do in the event of a fire.

If you need more information on smoke detectors, or would like us to assist you with installation, please feel free to call us at 717-767-1954.

## ***What Actions Do I Take if My Carbon Monoxide Alarm Goes Off?***

What you need to do if your carbon monoxide alarm goes off depends on whether anyone is feeling ill or not.

### **If no one is feeling ill:**

1. Silence the alarm.
2. Turn off all appliances and sources of combustion (i.e. furnace and fireplace).
3. Ventilate the house with fresh air by opening doors and windows.
4. Call a qualified professional to investigate the source of the possible CO buildup.

### **If illness is a factor:**

1. Evacuate all occupants immediately.
2. Determine how many occupants are ill and determine their symptoms.
3. Call your local emergency number and when relaying information to the dispatcher, include the number of people feeling ill.
4. Do not re-enter the home without the approval of a fire department representative.
5. Call a qualified professional to repair the source of the CO.

## ***Fire Safety Tips***

1. Smoke detectors that are 10 years old or older **SHOULD BE REPLACED.**
2. Extension cords should be checked regularly for wear.
3. **DO NOT** use light bulbs that exceed the recommended wattage in light fixtures.

***PRACTICE  
FIRE SAFETY  
EVERY DAY!***

## ***Smoke Alarm Program***

York Area United Fire and Rescue has a free smoke alarm program. Simply call our office at 717-718-2383 and a firefighter will come to your house and install a smoke alarm; **FREE OF CHARGE!!!** You can also stop by any of the fire stations in Spring Garden, Springettsbury, Manchester Township or Mt. Wolf Borough.

## ***Hall Rental***

**Alert Fire Company  
3118 N. George Street, Emigsville**

The **Social Hall** is available to be rented for personal parties and/or business functions. The proceeds from the rentals are used to offset the expenses of the operation of the volunteer fire station.

For Hall Rental call: **717-324-1583**

## **Department of Fire Services:**

**Manchester Township Career  
Firefighters Offer**

**Reflective Address Markers  
— ONLY \$15.00**

**Make sure that your home  
can be located by emergency  
personnel.**

Applications for address  
markers are available at:

3200 Farmtrail Road  
York, PA 17406-5699

## ***Volunteers Needed!***

Manchester Township Department of Fire Services and York Area United Fire and Rescue are looking for volunteers to serve as Firefighters, Emergency Medical Technicians and Fire Police officers.

Anyone interested in applying should **contact the Fire Chief at (717) 718-2383.**

## ***911 HANG UP CALLS***

Ordinance #2007-03

It is important that all telephone owners be responsible for the proper use of their telephones so that police officers are not required to spend important patrol time in responding to false 911 calls.

An excessive number of 911 hang up calls from a telephone will result in the assessment of fees or penalties in accordance with ordinance #2007-03.

Please be responsible for the proper use of telephones.

## ***Ambulance Service***

Manchester Township does NOT offer an ambulance membership or subscription program. In the event that you are transported to a hospital by our ambulance, your health insurance provider or Medicare will be billed for the services rendered. Additionally, the patient is responsible for any service fees not covered by insurance or medicare reimbursements.

Billing services are provided by Cornerstone Adminisystems in New Cumberland, PA. Should you have any questions regarding an ambulance bill, please contact them directly at 1-877-214-6018. This is a toll-free number.

# ***KEEP FIREPLACES AND WOOD STOVES CLEAN***

1. Have your chimney or wood stove inspected and cleaned annually by a certified chimney specialist.
2. Clear the area around the hearth of debris, decorations and flammable materials.
3. Leave glass doors open while burning a fire. Leaving the doors open ensures that the fire receives enough air to ensure complete combustion and keeps creosote from building up in the chimney.
4. Close glass doors when the fire is out to keep air from the chimney opening from getting into the room. Most glass fireplace doors have a metal mesh screen which should be closed when the glass doors are open. This mesh screen helps keep embers from getting out of the fireplace area.
5. Always use a metal mesh screen with fireplaces that do not have a glass fireplace door.
6. Install stovepipe thermometers to help monitor flue temperatures.
7. Keep air inlets on wood stoves open, and never restrict air supply to fireplaces. Otherwise you may cause creosote buildup that could lead to a chimney fire.
8. Use fire-resistant materials on walls around wood stoves.

# ***HOW AND WHEN TO FIGHT COOKING FIRES***

1. When in doubt, just get out. When you leave, close the door behind you to help contain the fire. Call 9-1-1 or the local emergency number after you leave.
2. If you do try to fight the fire, be sure others are already getting out and you have a clear path to the exit.
3. Always keep an oven mitt and a lid nearby when you are cooking. If a small grease fire starts in a pan, smother the flames by carefully sliding the lid over the pan (make sure you are wearing the oven mitt). Turn off the burner. Do not move the pan. To keep the fire from restarting, leave the lid on until the pan is completely cool.
4. In case of an oven fire, turn off the heat and keep the door closed to prevent flames from burning you or your clothing.
5. If you have a fire in your microwave oven, turn it off immediately and keep the door closed. Never open the door until the fire is completely out. Unplug the appliance if you can safely reach the outlet.
6. After a fire, both ovens and microwaves should be checked and/or serviced before being used again.

# THANKSGIVING SAFETY

York Area United Fire and Rescue discourages the use of outdoor gas-fueled turkey fryers that immerse the turkey in hot oil. These turkey fryers use a substantial quantity of cooking oil at high temperatures, and units currently available for home use pose a significant danger that hot oil will be released at some point during the cooking process. The use of turkey fryers by consumers can lead to devastating burns, other injuries and the destruction of property. York Area United Fire and Rescue urges those who prefer fried turkey to seek out professional establishments, such as grocery stores, specialty food retailers, and restaurants for the preparation of the dish, or consider a new type of “oil-less” turkey fryer.”

## Portable Heater Tips

1. Keep away from combustibles.
2. Use only while alert and awake.
3. Do not fill units using flammable liquids inside.
4. Never let electrical units plugged in while not in use.
5. Never store items on portable heaters.
6. Keep infants and children away from portable heaters.
7. Never use portable heaters as a main source of heat.
8. Purchase only UL Approved portable heaters.
9. Follow the directions provided with the unit of your choice.
10. Inspect your portable heater before each use.
11. Always have a working smoke detector.

## Contacting The Fire Department

**Emergency – 911**

For business related information contact Department of Fire Services or paid personnel at the 24 hour manned station at 3200 Farmtrail Road:  
**717-767-1954**

For the Alert Fire Company trustees or other business, call the volunteer station at 3118 North George Street in Emigsville: **717-764-1148**

York Area United Fire and Rescue has established a Facebook page and Twitter account. Please visit and be sure to “like us” on Facebook and follow us at @YAUFRChief. On our site you can find up-to-date information and receive immediate notification of incidents and events.

## **COMMUTER SERVICES OF PENNSYLVANIA**

*Serving Adams, Berks, Carbon, Cumberland,  
Dauphin, Franklin, Lancaster, Lebanon, Monroe,  
Perry, Pike, Schuylkill & York Counties*

Commuter Services of Pennsylvania is a non-profit organization that offers free services to commuters about their options for getting to and from work. Our Rideshare and Emergency Ride Home programs provide necessary tools to commuters in order for them to successfully switch from driving alone to a green commuting option; such as carpooling, vanpooling, bicycling, walking or riding transit. Using a green commute mode is a great way to save money and help improve air quality. For more information visit [www.PaCommuterServices.org](http://www.PaCommuterServices.org) or call 1.866.579.RIDE.

## ***MET-ED SCAMS***

Met-Ed customers are urged to be aware of the ongoing, nationwide scam involving a telephone caller posing as a utility company employee threatening to shut off power unless immediate payment is made.

If your Met-Ed account is past-due, you will receive a written notice of your account status, with instructions on how to avoid disconnection of service. While a Met-Ed representative may call a customer whose bill is in arrears in order to remind them that a payment is due, the representative would explain how a payment can be made using our established payment options. They will NOT demand payment over the phone.

If a caller threatens to shut off your power unless immediate payment is received, hang up. If you wish to verify your account status or the identity of a Met-Ed employee, please call 1-800-545-7741.

# Halloween Safety

A few safety tips from the U.S. Consumer Product Safety Commission can protect children who plan to go trick-or-treating this Halloween.

**Treats:** Warn children not to eat any treats before an adult has carefully examined them for evidence of tampering.

**Flame Resistant Costumes:** When purchasing a costume, masks, beards, and wigs, look for the label Flame Resistant. Although this label does not mean these items won't catch fire, it does indicate the items will resist burning and should extinguish quickly once removed from the ignition source. To minimize the risk of contact with candles or other sources of ignition, avoid costumes made with flimsy materials and outfits with big, baggy sleeves or billowing skirts.

**Costume Designs:** Purchase or make costumes that are light and bright enough to be clearly visible to motorists.

- For greater visibility during dusk and darkness, decorate or trim costumes with reflective tape that will glow in the beam of a car's headlights. Bags or sacks should also be light colored or decorated with reflective tape. Reflective tape is usually available in hardware, bicycle, and sporting goods stores.
- To easily see and be seen, children should also carry flashlights.
- Costumes should be short enough to prevent children from tripping and falling.
- Children should wear well-fitting, sturdy shoes. Mother's high heels are not a good idea for safe walking.
- Hats and scarfs should be tied securely to prevent them from slipping over children's eyes.
- Apply a natural mask of cosmetics rather than have a child wear a loose-fitting mask that might restrict breathing or obscure vision. If a mask is used, however, make sure it fits securely and has eyeholes large enough to allow full vision.
- Swords, knives, and similar costume accessories should be of soft and flexible material.

**Pedestrian Safety:** Young children should always be accompanied by an adult or an older, responsible child. All children should WALK, not run from house to house and use the sidewalk if available, rather than walk in the street. Children should be cautioned against running out from between parked cars, or across lawns and yards where ornaments, furniture, or clotheslines present dangers.

**Choosing Safe Houses:** Children should go only to homes where the residents are known and have outside lights on as a sign of welcome.

- Children should not enter homes or apartments unless they are accompanied by an adult.
- People expecting trick-or-treaters should remove anything that could be an obstacle from lawns, steps and porches. Candlelit jack-o'-lanterns should be kept away from landings and doorsteps where costumes could brush against the flame. Indoor jack-o'-lanterns should be kept away from curtains, decorations, and other furnishings that could be ignited.

## GENERAL ELECTION DAY

November 3, 2015

If you have any questions concerning elections or polling places, please contact:

YORK COUNTY ELECTIONS OFFICE  
717-771-9604

# ***SNOW REMOVAL***

Snow removal presents a challenge to Manchester Township. During an active snowstorm the public works department will attempt to keep open the major routes (arterial and collector) streets of Manchester Township to facilitate the movement of emergency vehicles. As a storm subsides the snowplows will methodically plow each and every public street in Manchester Township. Residents can assist the public works department by moving, where possible, vehicles off of the streets during and after the storm event.

According to the Pennsylvania Second Class Township Code, responsibility for the maintenance of sidewalks rests with the adjoining property owner. Therefore, remember to be a good neighbor and remove snow from sidewalks to keep them safe for pedestrians.

The Township is **NOT RESPONSIBLE** for damage to mailboxes since they are located in the right-of-way. Manchester Township **DOES NOT** provide snow and ice removal on any state roadways.

## **HELPFUL HINTS**

1. When shoveling out the mouth of your driveway, deposit snow to the right or "downstream." This will help to avoid the re-depositing of the snow in your driveway when the plow comes to your street. Remember it is impossible to not have snow pushed into your driveway
2. Please do not throw the snow from your property into the street.
3. Please allow yourself some additional time to travel.
4. Use common sense and "Be Patient."
5. Keep a flashlight, a battery powered radio and emergency equipment available in case of a disruption in power.

## ***FIRE HYDRANTS***

- Clearing snow away from fire hydrants is a very important responsibility.
- The fire department asks residents to clear a **36-inch path around hydrants** to allow for access.
- If you join together with your neighbors, it only takes a few minutes to ensure the fire hydrants are clear of snow. Please take the few extra minutes needed to protect your home and family.

# ***Preventing Frozen Pipes***

The best way to protect a fire sprinkler system from freezing is to provide sufficient insulation and maintain adequate heat during the winter months. Insulation helps block the flow of heat or cold from one space to the next. Most sprinkler pipes are within the walls or ceilings. Cold air can enter these concealed spaces through small gaps in the exterior sheathing and insulation and find its way into pipe chases and soffits that focus the air directly onto the sprinkler piping and accelerate freezing.

In attics, piping should be as close to the ceiling as possible with insulation placed over the sprinkler pipe. If you can safely inspect your sprinkler pipes in the attic and you can see exposed pipes; they need to be insulated immediately to prevent freezing. An open attic hatch will allow heat to rise into the attic and could provide enough heat to keep pipes from freezing.

Plumbing pipes providing water to the inside are also prone to freezing during long periods of freezing temperatures. Open cabinet doors that house water pipes and allow the home's heat inside. Slightly open a faucet to allow a small trickle of water - flowing water is more difficult to freeze than standing water in pipes. Remember to shut off and drain the water to all outside hose bibs.

If a water pipe bursts ensure that the location of the water shut-off valve is known and the proper method to turn it off. Contact a professional immediately to initiate repairs.

# ***CHRISTMAS SAFETY***

Christmas trees and lights are also of particular concern when it comes to fire safety. Christmas tree fires move horrifically fast. A tree can become engulfed in flames in less than 5 seconds from initial contact with fire, and the entire room can be on fire in well under a minute. You can see why these are among the deadliest types of home fires, and you will want to make sure your Christmas tree is safe.

The best way to prevent Christmas tree fires, of course, is to have an artificial tree; they are not flammable. But for many people, it just would not be a real Christmas with an artificial tree – it is been a family tradition to go pick out a live tree, and bring it home. For some, the scent of the evergreen adds to the holiday atmosphere too. That is understandable, and there is no need to have an artificial tree if you are careful about fire hazards with your real tree. If you prefer a real tree, then make sure you keep it well-watered. The drying out process is what really increases the susceptibility of Christmas trees to fire. Add water every day, and keep an eye on the water levels. In addition, if you use lights on your Christmas tree, make sure that you turn them off before going to bed. That will greatly reduce the risk of fire, especially at the most vulnerable time – when everyone is asleep. Make sure the bulbs and wires of your tree lights are in good working order. If not, don't use them.

Also, make sure that you do not have too many lights drawing power from the same outlet. Both of these rules also apply to any outdoor lighting you might be using. Beautiful house and yard lighting displays are a tradition in America, and usually they are very safe. But if not done properly, they can be hazardous. So play it safe. Check all bulbs and cords for wear and damage, and do not overload circuits. Again, just as with candles and trees, it is best to turn off the displays before retiring at night.

## ***Candle Care***

- Avoid Using Lit Candles

If you do use them, make sure they are in stable holders and place them where they cannot be easily knocked down. Never leave the house with candles burning.

- Never Put Lit Candles on a Tree

Do not go near a Christmas tree with an open flame - candles, lighters or matches.

Finally, as in every season, have working smoke alarms installed on every level of your home, test them monthly and keep them clean and equipped with fresh batteries at all times. Know when and how to call for help. And remember to practice your home escape plan.

## ***Weather Warnings***

With the winter months upon us, please take note of the following warning terms that PEMA (Pennsylvania Emergency Management Agency) advises are used when broadcasting alerts:

**WINTER STORM WATCH** – Be alert. A storm is likely.

**WINTER STORM WARNING** – Take action. The storm is in or near the area.

**BLIZZARD WARNING** – Snow and strong winds combined will produce blinding snow, near zero visibility, deep drifts and life-threatening wind chill. Seek refuge immediately.

**WINTER WEATHER ADVISORY** – Winter weather conditions are expected to cause significant inconveniences and may be hazardous, especially to motorists

**FROST/FREEZE WARNING** – Below freezing temperatures are expected to cause significant damage to plants, crops or fruit trees.

**FLASH FLOOD WATCH** – Be alert to signs of flash flooding and be ready to evacuate on a moment's notice.

**FLASH FLOOD WARNING** – A flash flood is imminent. Act quickly to save yourself because you may have only seconds to react.

**FLOOD WARNING** – Flooding has been reported or is imminent. Take necessary precautions.

## **MS4**

### **Municipal Separate Storm Sewer System**

#### **PLEASE DO NOT POLLUTE**

#### **10 things you can do at home:**

1. Use fertilizers sparingly and sweep up driveways and gutters.
2. Never dump anything down storm drains or in streams.
3. Vegetate bare spots in your yard.
4. Compost your yard waste.
5. Use least toxic pesticides, follow labels, and learn how to prevent pest problems.
6. Direct downspouts away from paved surfaces; consider a rain garden to capture runoff.
7. Take your car to the car wash instead of washing it in the driveway.
8. Check your car for leaks and recycle your motor oil.
9. Pick up after your pet.
10. Have your septic tank pumped and system inspected regularly.

**For additional information visit:**

**[www.epa.gov/npdes](http://www.epa.gov/npdes)**

## ***NO PARKING ZONES What Do The Signs Mean?***

Have you wondered what the double arrow signs, which are located under “No parking” symbol signs, represent? The “No Parking” symbol signs and related double arrows are posted in accordance with PennDOT sign regulations which require the use of the double arrow signs to inform motorists that parking is restricted BETWEEN the posted “No parking” symbol signs along the same side of the street on which the “No Parking” symbol signs are located. The double arrow signs DO NOT represent that parking is prohibited on both sides of the street.

### **York County Area Agency On Aging**

## ***RENT-A-KID***

This program provides an opportunity for middle and high school students to assist senior citizens in completing routine light-duty household chores, yard work, mowing lawns and shoveling snow. The goal of the Rent-A-Kid program is not only to get an important job done, but also to foster friendships between senior citizens and teenagers.

Senior citizens, age 60 and older, in need of assistance with chores can call the Rent-A-Kid coordinator who will provide names and phone numbers for teenagers (**Grades 7-12**) in their area. It is the responsibility of the senior citizen to contact the teenager and discuss the job to be done, when it is to be done, the rate of pay for the job, and any other arrangements that need to be made.

Recommended pay rate is \$5 per hour. However, depending on the type of work and the ability of the senior citizen to pay, the teenage may negotiate a more satisfactory rate of pay.

Teenagers interested in the Rent-A-Kid program should contact their school guidance counselor or call the Coordinator at YCAAA for an application at (717) 771-9103.

Applications can also be downloaded from the website: [www.ycaaa.org](http://www.ycaaa.org).

# Public Storm Water Seminar

## “THE BASICS”

Tuesday—September 15, 2015

# ***STORM WATER MANAGEMENT REQUIREMENTS***

**EFFECTIVE JULY 1, 2012:**

Any building or zoning permit application that proposes any new impervious area must first satisfy the requirements of the storm water management ordinance.

(Ordinance # 2012-05)

**Ultimately it is the property owners' responsibility to control runoff from their property.**

This requirement is a mandate from the United States Environmental Protection Agency EPA, Pennsylvania Department of Environmental Protection DEP and the County of York. Manchester Township passed Ordinance 2012-05 in order to comply with the mandate. Failure to comply with the mandates would subject the township as a whole to penalties from either DEP and/or EPA.

**Put simply, if property owner builds or places on their lot something that covers the ground so that rainwater cannot penetrate or that will not allow grass to grow something must be done to allow the runoff to soak into the ground under a normal rain condition.**

Anyone applying for a Building or Zoning Permit is required to address the storm water runoff from any new impervious area to be installed or placed on any lot.

You will need to know the measurements of all structures, patios, sidewalks, swimming pools and paving, existing and proposed, on your lot in order obtain a storm water permit to meet these requirements **BEFORE** a building or zoning permit will be able to be issued.

## ***Plan Ahead For Building Permits***

All construction, additions, placement of prebuilt structures (sheds, swimming pools, etc), paving, patios, fences, and decks require that a permit be obtained **BEFORE** any work can legally be started. This includes inflatable swimming pools over 18" if new or previously removed.

State law requires the township to adopt the Uniform Construction Code (UCC), better known as the "building code". The UCC allows a municipality up to 15 working days to review a permit application for residential properties and either grant or reject the permit from the time a completed application is submitted to the municipality. A completed application includes a completely filled out application form, 3 copies of a site plan for the entire lot showing all **existing and proposed** improvements on the lot (including driveways, buildings, patios, decks, and sidewalks) with all dimensions and distances to property lines and 3 copies of all documentation related to the proposed improvements. Manchester Township strives to process the permits as quickly as possible although during busy times of the year it may take the full 15 working days. **NO WORK** can be started until you have a granted permit in hand and a placard placed in a location that can be seen from the street.

## ANIMAL CONTROL ORDINANCE

Ordinance #2009-05  
On November 10, 2009 the Board of Supervisors adopted an animal control ordinance which is intended to encourage the proper safe care and management of animals within Manchester Township.

Please note that this ordinance addresses the keeping of domestic animals, as well as feral cat(s), and requires that anyone "keeping" a feral cat or cats, must see that they have been trapped, neutered and released (TNR) back into the wild.

The York County SPCA (717-764-6109) or Manchester Township's animal enforcement officer, Mike Ellis (717-266-1712), can provide assistance with feral cats.

The full text of Ordinance #2009-05 is available on the township's web page.

**PLEASE BE RESPONSIBLE IN HELPING PROTECT PUBLIC HEALTH AND SAFETY BY PARTICIPATING IN A TNR PROGRAM TO CONTROL THE FERAL CAT POPULATION**
