**Motorized vehicles at township parks**  
Please observe Park Rule #12 when using all township parks:  
The use of **MOTORIZED VEHICLES** is **PROHIBITED** within Manchester Township Recreational facilities. The term “motorized vehicles” shall include, but not be limited to, licensed motor vehicles (three or four wheeled), snowmobiles and golf carts. Township vehicles are exempt.

**Slow Down....**  
The summer weather will bring some added dangers while driving in residential areas. Young children and families will be playing outdoors, walkers, bikers, runners, and other pedestrians will also be out in force. Are you driving too fast for conditions?  
The Northern York County Regional Police Department receives several complaints each week in regards to vehicles exceeding the speed limit in numerous neighborhoods. Please be mindful of your speed and the inherent dangers while driving through the neighborhood.  
The Board of Supervisors and police department jointly ask you to please eliminate the risks inherent with speeding vehicles by slowing down.

**“Gift of Life” Trees**

Donating a tree is a great way to remember or honor someone special to you. Trees may be placed at any of our eight parks. For additional information contact the Manchester Township Office at 3200 Farmtrail Road. 717-764-4646

**Attention Dog Owner**

Please observe Park Rule #16 when using all township parks:

**PETS SHALL BE KEPT ON A LEASH AT ALL TIMES** within township recreational facilities. The owner or person handling such pet within a township recreational facility **SHALL REMOVE ANY AND ALL FECAL MATTER** deposited by said pet while within the township recreational facility.

**PLEASE CLEAN UP AFTER YOUR PET.**

*Lack of proper disposal could result in no pets being permitted on park properties!*

## Inspiring H.O.P.E. - Becomes a reality!

On behalf of all of the people involved in the Inspiring H.O.P.E. barrier-free playground effort, we would like to send a special thank you to Manchester Township for donating the land for the playground at Cousler Park.

The support from the township's Board of Supervisors, Recreation Commission, Township Manager Dave Raver, Assistant Township Manager Tim James, Recreation Director Garth Ericson, Public Works Superintendent Ken Goodyear and his entire Public Works staff, and all of the other Manchester Township staff have helped make this project happen.

Our heartfelt appreciation is also sent to all of the many community members who donated time, talent, tools, materials, and money to help create this awesome one-of-a-kind playground for the children and families of York County.

The Inspiring H.O.P.E. Board of Directors

*If you are a person with a disability and wish to attend any township meetings, please contact the office at least three (3) business days prior to discuss how your needs may best be served.*

### Manchester Township now accepts:

For all transactions see pg. 19

**TAX COLLECTOR *does not* accept credit cards**

When considering your spring clean up and/or landscaping, please remember to keep your trees, hedges and bushes trimmed to no higher than three feet (3') within the clear sight triangle of any intersection of any street to improve safety and visibility.

## Tips from the Tax Collector

It's tax time again and I'd like to remind you to **please write a contact phone number on your check!** Unlisted phone numbers make it difficult to reach you if there is a question or problem with your check.

School real estate bills for the '10-'11 tax year are mailed to the homeowner of record on July 15<sup>th</sup> 2010. Those properties enrolled in the Homestead/Farmstead relief program will show a discount on the school tax bill.

Once again, Central York School District will be offering a three-installment payment option. To participate, you must pay the first installment by August 16<sup>th</sup>. Please note: the three installments add up to the FACE amount of the bill -meaning you forfeit the 2% discount. To get the discount you must pay the full rebate amount by September 15<sup>th</sup>.

Please call the tax office at **767-6689** with any questions.

Jean Stambaugh  
Manchester Township Tax Collector

**TAX COLLECTOR  
does not accept  
credit cards**

### TAX COLLECTOR – SUMMER HOURS

**July** – Call for window hours (767-6689)

**August** – *Tuesdays & Thursdays*  
9:30 a.m. – 11:30 a.m.

As always, a night slot on the outside of the Township building is available for payments when the window is closed.

Regular window hours resume August 31st.

## EMERGENCY SERVICES FEE

On May 11, 2010 the Manchester Township Board of Supervisors adopted Ordinance #2010-04 that authorizes the Department of Fire Services (DFS) to invoice insurance companies to recoup a portion of Manchester Township's cost in providing rescue services, traffic control and accident scene cleanup. In 2009, the DFS responded to 190 vehicle accidents, many of which occurred on I-83 and Route 30 and involved operators who were not Manchester Township residents.

## 911 Hang Up Calls

It is important that all telephone owners be responsible for the proper use of their telephones so that police officers are not required to spend important patrol time in responding to false 911 calls. An excessive number of 911 hang up calls from a telephone will result in the assessment of fees or penalties in accordance with ordinance #2007-03. Please be responsible for the proper use of telephones.

## PROTECTIVE COVENANTS

Township staff regularly receive requests from residents for the enforcement of protective covenants which have been written for many developments. Protective covenants are a private contract between a developer or homeowners' association and the individual property owners.

**Manchester Township has no authority to enforce the covenants.**

Frequently, covenants are written to regulate items which are not legally enforceable by the municipal zoning ordinance. For example, the color of siding or brick used on a structure; type of construction of structures such as swimming pools, fences, and sheds, many protective covenants will exclude such accessory structures. Property owners should review the protective covenants for their development before a building permit application is submitted to Manchester Township.

## KEEP UNUSED MEDICATIONS AND ENDOCRINE DISRUPTING COMPOUNDS (EDCs) OUT OF WATERSHEDS AND DRINKING WATER

- Pharmaceuticals have now been found in the drinking water of many cities and wastewater treatment plant discharges are a major source.
- While the human health effects of many of these materials are not yet well known, the harmful environmental effects of EDCs are well documented.
- Along with drugs, personal care products, some detergents and other materials discharged from wastewater treatment plants can also be EDCs.
- The endocrine system is a complex network of glands and hormones that regulates many essential biological functions and processes in living systems.
- Extremely low levels of EDCs can interfere with the normal function of the endocrine systems of living organisms, especially the reproductive systems.
- EDCs have been found in local streams below sewage outfalls and can come from residential, institutional and businesses wastewater.
- Some species of fish, mollusks, reptiles, mammals, and birds have already experienced substantial reproductive problems from EDCs in the water.
- Wastewater treatment plants are not designed to effectively treat all EDCs and EPA and many others are investigating the effects of EDCs on humans.
- Cumulative stream loadings of EDCs, especially from a large number of individual households, have the potential to cause significant harmful effects.
- All sewer users, domestic and non-domestic, are requested to voluntarily reduce sewer discharges of drugs & EDCs to better protect our watersheds.
- Please follow the Federal Drug Disposal Guidelines for both prescription and nonprescription medications.

**WAY (Watershed Alliance of York, Inc.)** is a public-private partnership of stakeholders committed to being innovative leaders encouraging watershed-based planning, restoration and protection, in York County and beyond. Anyone interested in WAY's programs to help reduce commercial, industrial and household pollutant loadings to local watersheds, please visit our web site at [www.watershedsyork.org](http://www.watershedsyork.org) and contact our citizen volunteer Board of Directors.

# FIGHTING GREASE

Just like fats, oils and greases are bad for your arteries they're bad for sewers, too.

Grease sticks to the inside of pipes (both on your property and in the streets). Over time, the grease can build up and block the entire pipe. This can result in raw sewage overflowing into your home, yard, street, etc.

The easiest way to solve the grease problem and prevent overflows of raw sewage from happening is to keep the grease out of the sewer system in the first place.

## Here's how you can help

- \*Never pour grease down sink drains or into toilets.
- \*Scrape grease and food scraps from trays, pots, pans, utensils, and grills into a can or the trash for disposal.

Sewer overflows and blockages can cause health hazards, damage to home interiors and threaten the environment. Manchester Township Sewer Crew performs routine maintenance on all township owned sewer lines.

**Please help us keep our lines flowing smoothly.**

## Sewer Backup Claims

Under the Pennsylvania Governmental Immunity Statute, Manchester Township has limited legal responsibility for sewer and water backups. You should contact your homeowner's or commercial insurance agent to make sure you carry coverage for sewer and water backups under your homeowner's or commercial property policy. Some homeowner's policies do not include this coverage automatically. We recommend that you purchase this valuable coverage.

## Smoke Testing Sewer Lines

**NOTICE** – Manchester Township Public Works Department periodically conducts smoke tests of the sanitary sewer lines. Testing is conducted Monday through Friday **from 7:00 am to 3:30 pm.**

Smoke should not enter premises unless a leak is present. This smoke is non-toxic, non-corrosive, and will not leave a stain. If smoke enters a home, it will soon dissipate. Opening doors and windows will help. Any presence of smoke within the house should be reported to the township office at 764-4646. Avoid unnecessary exposure to the smoke. The smoke is relatively harmless, but all smoke is temporary and quickly disappears after exposure has ceased.

## DO NOT DUMP!

It is illegal to dump anything into the storm sewers located along the streets. Do not dump used oil, gasoline, or grass clippings into the storm sewers.

## SEWER ARREARS

If you have an unpaid balance on your sewer account or we have filed a lien against your property, **PLEASE contact the municipal office** and make every attempt possible to bring your account into good standing and avoid the embarrassment of having your delinquent account information published.

# MS4

## Municipal Separate Storm Sewer System

**PLEASE DO NOT POLLUTE**

### 10 things we can do at home:

1. Use fertilizers sparingly and sweep up driveways and gutters.
2. Never dump anything down storm drains or in streams.
3. Vegetate bare spots in your yard.
4. Compost your yard waste.
5. Use least toxic pesticides, follow labels, and learn how to prevent pest problems.
6. Direct downspouts away from paved surfaces; consider a rain garden to capture runoff.
7. Take your car to the car wash instead of washing it in the driveway.
8. Check your car for leaks and recycle your motor oil.
9. Pick up after your pet.
10. Have your septic tank pumped and system inspected regularly.

## Plant a tree

Planting trees is one of the best and easiest ways everyone can help the environment. In addition to being beautiful, trees provide a wide range of social, community, economic, and environmental benefits. Trees:

- discourage littering by beautifying urban and community areas such as parks, streets, and schoolyards,
- assist in preventing soil erosion,
- provide a habitat for wildlife,
- increase individuals' physical and emotional well-being,
- remove dust, particulates, ozone, carbon monoxide, sulfur dioxide, and other pollutants from the air,
- conserve energy by blocking wind, snow, rain, and sunlight,
- serve as an effective buffer in screening out urban noises,
- replenish oxygen,
- help clean groundwater and prevent the transport of sediment and chemicals into waterways by trapping nutrients and chemicals.

## Yard Waste Collection

In 2010, Manchester Township will provide a Yard Waste Recycling Collection on:

### 4th SATURDAY OF EACH MONTH

#### April through October

July 24, 2010

August 28, 2010

September 25, 2010

October 23, 2010

Items will need to be placed at the curb side by 6:00 a.m.

“Yard Waste” materials are defined as tree trimmings, shrubbery and any other organic landscape vegetation, **excluding grass clippings.**

Once again, Penn Waste will be performing this service. Please visit their web site for additional information: [www.pennwaste.com](http://www.pennwaste.com)

## REMINDER!!!

Do **NOT** place trash receptacles at your collection point more than 24 hours before the scheduled collection.

**THIS WOULD BE A VIOLATION** of section 20-105.1 of the Manchester Township Code of Ordinances. It is also a violation of section 20-210 to steal recyclable materials from recycling containers.

# Electronics Recycling

## E-cycling PROGRAM UPDATE:

September 18, 2010	December 18, 2010

### E-cycling Accepted Items:

Items accepted include answering machines, compact disc players, electric typewriters, fax machines, hard drives, laptops, mobile phones, modems, microwave ovens, pagers, personal computers (CPU, monitors, keyboards, mouse, and peripherals), printers, printed circuit boards, radios, remote controls, stereos, tape players, telephones/telephone equipment, televisions, and VCRs. **For more information or directions please call 845-1066.**

## Recycling Hotline: Earth 911

[www.Earth911.com](http://www.Earth911.com)

By simply typing in your zip code, this hotline helps you locate recycling centers in your community "for all types of recyclables."

# Rent-A-Kid

This program provides an opportunity for middle and high school students, in grades 7 through 12, to assist senior citizens in completing routine light-duty household chores, yard work, mowing lawns and shoveling snow. The goal of the Rent-A-Kid program is not only to get an important job done, but also to foster friendships between senior citizens and teenagers.

Senior citizens, age 60 and older, in need of assistance with chores can call the Rent-A-Kid coordinator who will provide names and phone numbers for teenagers in their area. It is the responsibility of the senior citizen to contact the teenager and discuss the job to be done, when it is to be done, the rate of pay for the job, and any other arrangements that need to be made.

Recommended pay rate is \$5 per hour. However, depending on the type of work and the ability of the senior citizen to pay, the teenager may negotiate a more satisfactory rate of pay.

Teenagers interested in the Rent-A-Kid program should contact their school guidance counselor or call the Coordinator at YCAAA for an application at **771-9103**. Applications can also be downloaded from the website:

[www.ycaaa.org](http://www.ycaaa.org)

## Please Recycle

In addition to weekly trash removal, Manchester Township residents are reminded that in accordance with Pennsylvania Act 101, the following recyclable items are collected on the same day as the regular trash:

GLASS      NEWSPRINT      ALUMINUM/BIMETALS      CARDBOARD      PLASTICS

# Ever wonder what you need to do to close your street and have a NEIGHBORHOOD BLOCK PARTY?

During the summer and early fall the office staff often receives calls asking this very question.

The Board of Supervisors must authorize any closures of township streets (this does not include state roadways).

Your request should be submitted in writing, in a timely fashion, to the attention of the township manager.

Please include the following in your request:

1. The date and time of the block party and whether there is a rain date
2. A drawing showing the exact location and whether there is an alternate route which can be used by motorists while the road is closed
3. The signature of all property owners adjacent to the section of the affected roadway which you would like to close indicating they have no objection.

If these easy steps are followed, the Board will most likely grant your request. Upon granting such a request, the Board directs that the township public works department can drop off barricades, which can be used to close the roadway during your block party. The township does request you keep all tables and chairs to one side, so in the event of an emergency situation an ambulance, fire truck or police car, could easily gain access to the area by using the side of the roadway where there are no obstacles.

## VANDALISM COSTS YOU.....

Whenever there is theft or disfigurement of road signs and other Township property, this vandalism costs tax dollars to replace and repair – dollars that could be spent elsewhere.

If you witness abuse of public property, please dial 911 to report it. If you have information after the fact, please report it to the township office at 764-4646 or to the Northern York County Regional Police Department at 292-3647.

## Nuisance Ordinance

Per Ordinance #2007-01 the following are strictly prohibited and declared a nuisance:

- a) The placing of mulch, stone, dirt or building materials from private property into or onto a cartway of any street.
- b) Basketball hoops or other sports equipment within the street or road right-of-way.
- c) Detached trailers or storage units within the cartway.
- d) Dumping of any substances (oil, grass, etc.) into any storm sewer located along the streets is illegal.

Stone or brick mailboxes require a road occupancy permit before construction.

Any person who violates or fails to comply with these provisions may be fined up to \$600.00 per day.

## Animal Control Ordinance

Ordinance #2009-05

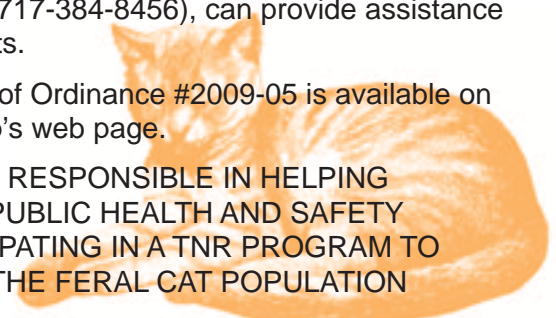

On November 10, 2009 the Board of Supervisors adopted an animal control ordinance which is intended to encourage the proper safe care and management of animals within Manchester Township.

Please note that this ordinance addresses the keeping of domestic animals, as well as feral cat(s), and requires that anyone “keeping” a feral cat or cats, must see that they have been trapped, neutered and released (TNR) back into the wild.

The York County SPCA (717-764-6109) or Manchester Township’s animal enforcement officer, Tim Kohler (717-384-8456), can provide assistance with feral cats.

The full text of Ordinance #2009-05 is available on the township’s web page.

PLEASE BE RESPONSIBLE IN HELPING  
PROTECT PUBLIC HEALTH AND SAFETY  
BY PARTICIPATING IN A TNR PROGRAM TO  
CONTROL THE FERAL CAT POPULATION

## Plan ahead for Building Permits

All construction, additions, placement of prebuilt structures (sheds, swimming pools, etc), paving, patios, fences, and decks require that a permit be obtained **BEFORE** any work can legally be started. This includes inflatable swimming pools over 18" if new or previously removed.

The state law that requires the township to adopt the Uniform Construction Code (UCC), better known as the "building code", allows a municipality up to 15 working days to review a permit application for residential properties and either grant or reject the permit from the time a completed application is submitted to the municipality. A completed application includes a completely filled out application form, 3 copies of a site plan of the entire lot showing all **existing and proposed** improvements on the lot (including driveways, buildings, patios, decks, and sidewalks) with all dimensions and distances to property lines and 3 copies of all documentation related to the proposed improvements. Manchester Township strives to process the permits as quickly as possible although during busy times of the year it may take the full 15 working days. **NO WORK** can be started until you have a granted permit in hand and a placard placed in a location that can be seen from the street.

## Solicitors Permits

*Are required in Manchester Township*

Permits are issued by  
Northern York County Regional Police Department  
1445 E. Canal Road, Dover, PA 17315

If you **do not want** solicitors, you must post a sign at least 3"X5" with letters no less than 1/3" in height near the main entrance of your residence. Sign must read "**NO SOLICITORS**". Each residence must be posted; signs at entrance to developments are not permitted or enforced.
