THEME: The 2010 Philadelphia Flower Show will treat visitors to an exotic journey with the theme, **Passport to the World**.

The show will transport visitors to dozens of destinations covering the globe. Among the most impressive will be India, a land of colors, textures, scents and sounds that will come to life amid a shower of flowers in an Indian wedding scene. The Netherlands, with its rainbow of blooms, will be portrayed in a floating flower market filled with over 100,000 blooms. The natural wonders of South Africa will be captured in flowers that depict the vivid colors and patterns of costumes of the Zulu. The Amazon jungle of Brazil will unfold in an otherworldly canopy of sparkling waterfalls, tropical flora and exotic wildlife. Singapore, the "Pearl of Asia," will be presented in a luminescent tribute to the orchid, and New Zealand, a rugged land of beauty, will explode with color and imagination inspired by the wild flora and traditions of the native Maori.

Rent-A-Kid

This program provides an opportunity for middle and high school students, in grades 7 through 12, to assist senior citizens in completing routine light-duty household chores, yard work, mowing lawns and shoveling snow. The goal of the Rent-A-Kid program is not only to get an important job done, but also to foster friendships between senior citizens and teenagers.

Senior citizens, age 60 and older, in need of assistance with chores can call the Rent-A-Kid coordinator who will provide names and phone numbers for teenagers in their area. It is the responsibility of the senior citizen to contact the teenager and discuss the job to be done, when it is to be done, the rate of pay for the job, and any other arrangements that need to be made. Recommended pay rate is \$5 per hour. However, depending on the type of work and the ability of the senior citizen to pay, the teenager may negotiate a more satisfactory rate of pay.

Teenagers interested in the Rent-A-Kid program should contact their school guidance counselor or call the Coordinator at YCAAA for an application at **771-9103**. Applications can also be downloaded from the website:

www.ycaaa.org

Osher Lifelong Learning Institute (OLLI)

For adults who never stop experiencing life, there is a place and a community that celebrates learning in a relaxed and accepting environment. We invite you to join in a learning adventure through the Osher Lifelong Learning Institute at Penn State York (OLLI at Penn State York). OLLI is open to all adults who love to learn.

OLLI at Penn State York is an association of, by, and for older adults who wish to continue to study and learn. OLLI is dedicated to the proposition that learning is a lifelong process and curiosity never retires. Members may participate in any OLLI activities, which include courses and special events. OLLI activities take place during the day. They are designed for pure enjoyment and there are no requirements, exams, or grades. All activities are designed by members for members.

There is a \$50 membership fee and an additional \$20 fee for each course taken. The yearly membership fee covers two semesters. For more information please call the OLLI office at **717-771-4015** or visit the website at <http://olli.yk.psu.edu>.

GENERAL INFORMATION - 2010

GARBAGE COLLECTION - (*Penn Waste*) During 2010, garbage collection will be one (1) time per week. Garbage containers (Bags or Covered Containers weighing no more than 50 lbs.) are limited to a maximum of **six (6) containers** per collection site. Call the township office for collection days. Garbage will **not** be collected on, *Memorial Day (May 31), Labor Day (Sept.6), Thanksgiving Day (Nov. 25) or Christmas Day (Dec. 25)*. When regular collection falls on a holiday, the collection schedule may change. Watch for advertisements or call the township for information. Residents are encouraged not to place containers at pick-up point before 7:00 p.m. the evening before collection day, but **before 6:00 a.m. of the scheduled day.**

RECYCLING - Township provides container for weekly curbside recycling collection (aluminum, bi-metals, glass, plastic, newspapers). Notify Northern York County Regional Police Department of any vandalism, theft, or loss of containers. **BATTERIES** - Alkaline batteries are no longer recyclable. (i.e. AAA's, AA's, C's, D's, etc.) These batteries should be disposed of in your regular trash. Refer to York County Solid Waste Authority for additional info. At **845-1066** or www.ycswa.com

LARGE ITEM PICK-UP - Penn Waste will collect one large item per week. Large items must be placed at curbside by 6:00 a.m. and will be picked up the same day as your regular trash collection. For detailed information check the township web site or www.pennwaste.com

YARD WASTE RECYCLING Penn Waste will collect yard waste the **4th Saturday of each month** beginning in **April and ending in October**. Yard Waste is defined as tree trimmings, shrubbery, landscape vegetation, **EXCLUDING** grass clippings. For additional information go to www.mantwp.com or www.pennwaste.com

LEAF COLLECTION- As required by Pennsylvania Act 101, Manchester Township provides curbside leaf collection from mid October through the first week of December. Watch newspapers for details. Rake your leaves to curb; **DO NOT** put leaves in bags, **DO NOT** put leaves with regular garbage or mix with grass clippings.

PERMITS - ARE REQUIRED for various activities such as **BUILDING PERMITS, PLUMBING PERMITS, OCCUPANCY PERMITS**. If you have questions concerning any of these areas please contact the township office.

SEWER INVOICES - Those properties served by sanitary sewer should receive an invoice on or about the 1st of January/April/July/October. These invoices must be paid within 30 days. It is the **PROPERTY OWNERS' RESPONSIBILITY** to notify the Township Office of name/address changes.

LANDLORD RESPONSIBILITY -All owners of residential, commercial, and industrial properties are required to notify the Township Office of the names of tenants who move into or out of rental units within ten (10) days of each move. Forms available at Township Office. (Chapter 11, Part 1)

DOGS/PETS - Pet owners are responsible for controlling their pets on their property. Stray dogs or those without proper tags will be picked up by the Animal Enforcement Officer. Excessive barking/animal nuisance prosecution can result only when the individual files a formal complaint with Northern York County Regional Police Dept. Call 911 to contact animal enforcement officer or contact Tim Kohler direct at 717-384-8456

TOWNSHIP OFFICE - WWW.MANTWP.COM

unless otherwise posted

Located at: 3200 Farmtrail Road, York, PA 17406-5699

PHONE: **764-4646** or FAX: **767-1400**

POLICE - Police coverage is provided by **Northern York County Regional Police Department**, 1445 E. Canal Road, Dover, PA 17315. Dial 911

CURFEW - Chapter 6, part 1 of the codified ordinances, establishes 12:00 a.m. to 5:00 a.m. for persons under 18 yrs of age

FIRE/AMBULANCE - Manchester Township Dept. of Fire Services is based at 3200 Farmtrail Road, York, Pennsylvania, with fifteen (23) paid firefighters/EMT's, one (1) chief, and two (2) assistant chiefs employed by Manchester Township. The Alert Fire Company maintains a volunteer station at 3118 North George Street, Emigsville. If you are interested in volunteering your services please contact the Fire Chief at 767-1954. Emergency dial 911

FIRE PREVENTION CODE - Chapter 7, Part I of the codified ordinances adopt the BOCA Fire Prevention Code. Please contact the Zoning Officer or Fire Chief for information how this ordinance affects your property. **SPARKLERS**, when directly supervised by an adult, are the **ONLY** type of fireworks permitted. Firework Displays require a special permit.

AUTOMATIC ALARM REGISTRATION - In accordance with Chapter 10, Part 3, of the codified ordinances, all automatic alarms (police/fire) must be registered, by the user, with Manchester Township within 5 days of installation. There is a one time \$25.00 registration fee.

STREET NUMBERS REQUIRED - Chapter 4, Part 1 of the codified ordinances **requires posting of street address numbers** of all properties located in Manchester Township. Numbers must be **NO LESS THAN 2" w x 3" h** in a color which contrasts with their background. Buildings not visible from the street must have street numbers placed on a post not less than 24" off of ground. For additional information or questions contact the Dept. of Fire Services 767-1954.

STREETS/ROADS - The township maintains all public adopted streets/roads **EXCEPT** the following major roads which are maintained by the state (PennDOT 848-6230); I-83; Route 30; N. George Street; Emig Road; Lightner Road; Susquehanna Trail; Roosevelt Ave. Extd. (Bull Rd); Starview Rd.; Board Road; Church Road; Lewisberry Road; and Greenbriar Road.

SNOW REMOVAL- In snow emergencies, residents in developments should remove, where possible, all vehicles from streets to allow for proper snow removal. Continued parking on streets only delays snow removal. During a snow storm Manchester Township has the responsibility of keeping arterial roadways open for emergency vehicles such as fire, police, and ambulance. Developments are normally plowed after the snow has stopped.

ZONING ORDINANCE - If you have questions regarding zoning ordinance, contact the Zoning Officer at the township office.

WEEDS - Property owners should not permit grass, weeds, or other vegetation other than plants for edible or ornamental purposes, grow to a height over twelve inches (12"). Violation of this ordinance (Chapter 10, Part 2) may result in prosecution.

-EMERGENCY INFORMATION --- CONFIDENTIAL

**Privacy Information: Privacy of Health Information / HIPAA Disclosures in
Emergency Situations**

Question: May an emergency official make disclosures to public officials who are responding to any man-made or natural emergency?

Response: Yes. Various agencies and public officials will need protected health information to deal effectively with a man-made or natural emergency. To facilitate the communications that are essential to a quick and effective response to such events, HIPAA permits covered entities to disclose needed information to public officials in a variety of ways. Covered entities may disclose protected health information, without the individual's authorization, to a public health authority acting as authorized by law in response to a man-made or natural emergency see 45 CFR 164.512(b), (see 45 CFR 164.512(j), (see 45 CFR 164.512(f)); 45 CFR 164.512(k)(2)); or judicial and administrative proceedings (see 45 CFR 164.512(e)).

City, Borough, Township:

Snow Removal

It's that time of year again. Time to get out the snow shovel and de-icer and get ready for whatever winter may bring. In an effort to expedite the snow removal from the street we ask that you PLEASE remove your vehicle from the street during a storm. This will enable the Public Works Department to clear the streets and get you on your way in a reasonable amount of time.

The Public Works Department has 11 trucks equipped with snowplows to take care of the township streets and state roadways as listed. We will do our best to clear your streets, so please be patient and remember we have probably worked many hours before you have to start shoveling.

Thank you – Manchester Township Public Work Department

In addition to 91.35 miles of adopted township streets, Manchester Township has an agreement with PennDot to provide winter maintenance services on the following 7.43 miles of state roadways:

CHURCH ROAD

(from Susquehanna Trail west to Township Line)

GREENBRIAR ROAD

(from Roosevelt Avenue to Township Line)

SUSQUEHANNA TRAIL

(from Stillmeadow Lane to Church Road)

MAIL BOX POLICY:

The township **IS NOT** responsible for damage to mailboxes since they are located in the right of way.

Please note that for public safety purposes, arterial roadways receive priority attention before development streets are cleared of snow.

HELPFUL HINT:

When shoveling out the mouth of your driveway, deposit snow to the right or “downstream.” This will help to avoid the redepositing of the snow in your driveway when the plow comes to your street. Remember it is impossible not to have snow pushed into your driveway. Please do not throw the snow from your property into the street.

HELP-Buffers

The Codorus Creek Watershed Association will cost-share (up to 100%) with landowners of small, headwater streams to plant streamside riparian buffers. Streamside vegetative buffers help streams by filtering runoff pollutants, remove nutrients from groundwater, help shade and keep water cool for trout, and provide valuable wildlife habitat, in-stream and out. For more information about how to enroll, please contact CCWA today

www.watershedyork.org

Please Recycle

In addition to weekly trash removal, Manchester Township residents are reminded that in accordance with Pennsylvania Act 101, the following recyclable items are collected on the same day as the regular trash:

GLASS NEWSPRINT ALUMINUM/BIMETALS CARDBOARD PLASTICS

From the Manchester Township Board of Supervisors

Another year is upon us. Unfortunately, all economic indicators for the township are not pointing toward a quick recovery from the decline in revenues that has been experienced during the past 2 years. At best, the township's revenues will remain stagnate through 2010. So what does this mean for a Manchester Township resident?

Township Manager David Raver stated that 2009 was the most difficult fiscal year that he has experienced in his 34 years as manager. He, along with Assistant Manager Tim James, proposed a 2010 budget that reflected a 7.22% decrease in spending from 2009 for all operating funds in order to comply with the board of supervisors adamant policy that there be no real estate tax rate increase for 2010. The decrease in spending will be achieved by refinancing a 2005 bond issue and postponing most capital improvement projects. In other words, there will be fewer roads paved, fewer park improvements, and existing vehicles or equipment if broken will be repaired instead of replacing with new purchases. These sacrifices were necessary to balance the budget in order to maintain the current level of services, particularly for public safety, as well as meet statutory and contractual obligations.

Finally, the board of supervisors would like to thank colleague Ed Dankanich for his service as a township supervisor since being appointed in February 2008 to fill a vacancy. Prior his appointment, Mr. Dankanich had been a member of the Manchester Township Recreation Commission since 1995 and had served as chairman of the recreation commission from February 2004 – February 2008. Mr. Dankanich's professional work experience proved to be a true asset to the board as it grappled with several difficult issues during the past two years. Thank you, Ed for 15 years of exemplary service to Manchester Township.

Smoke Testing Sewer Lines

NOTICE – Manchester Township Public Works Department periodically conducts smoke tests of the sanitary sewer lines. Testing is conducted Monday through Friday **from 7:00 am to 3:30 pm.**

Smoke should not enter premises unless a leak is present. This smoke is non-toxic, non-corrosive, and will not leave a stain. If smoke enters a home, it will soon dissipate. Opening doors and windows will help. Any presence of smoke within the house should be reported to the township office at 764-4646. Avoid unnecessary exposure to the smoke. The smoke is relatively harmless, but all smoke is temporary and quickly disappears after exposure has ceased.

Animal Control Ordinance

Ordinance #2009-05

On November 10, 2009 the Board of Supervisors adopted an animal control ordinance which is intended to encourage the proper safe care and management of animals within Manchester Township.

Please note that this ordinance addresses the keeping of domestic animals, as well as feral cat(s), and requires that anyone "keeping" a feral cat or cats, must see that they have been trapped, neutered and released (TNR) back into the wild.

The York County SPCA (717-764-6109) or Manchester Township's animal enforcement officer, Tim Kohler (717-384-8456), can provide assistance with feral cats.

The full text of Ordinance #2009-05 is available on the township's web page.

PLEASE BE RESPONSIBLE IN HELPING PROTECT
PUBLIC HEALTH AND SAFETY BY PARTICIPATING
IN A TNR PROGRAM TO CONTROL THE FERAL
CAT POPULATION

Reminder!!!

Do NOT place trash receptacles at your collection point more than 24 hours before the scheduled collection.

THIS WOULD BE A VIOLATION of section 20-105.1 of the Manchester Township Code of Ordinances. It is also a violation of section 20-210 to steal recyclable materials from recycling containers.

Tips from your Tax Collector

It's the end of 2009 and I want to remind you that all property taxes must be paid by December 31st to avoid being turned over to York County Tax Claim for collection. Please do not ask me to break the law by asking me to accept payments after the deadline.

Please note: After December 15th payment must be made with cash or certified funds (certified check or money order). No personal checks will be accepted after 12/15/2009. Payments in the night slot on the morning of January 1st 2010 will be considered paid.

Just a reminder for those applying for the State Property Tax and Rent rebate program - the State requires stamped receipts. Bring or send both halves of your tax bill (along with a stamped, self-addressed envelope if paying by mail) and we will promptly return a receipt. Application forms and guidelines for the rebate program are available online at the PA State website or from your local Representative's office. The Area Agency on Aging can also provide assistance.

Please call the tax office at
767-6689 with any questions.

Tax Collector – Window Hours

Tuesday, Wednesday, Thursday,
12:00 – 3:00 pm,
except for holidays.

As always, a secure night slot on the outside of the Township building is available for payments when the window is closed.

Sewer Backup Claims

Under the Pennsylvania Governmental Immunity Statute, Manchester Township has limited legal responsibility for sewer and water backups. You should contact your homeowners or commercial insurance agent to make sure you carry coverage for sewer and water backups under your homeowners or commercial property policy. Some homeowner's policies do not include this coverage automatically. We recommend that you purchase this valuable coverage.

Christmas Tree Recycling

Residents may bring their trees to York County Solid Waste Authority, 2700 Blackbridge Road, between December 26, 2009 and January 31, 2010

FACILITY OPEN 7 DAYS A WEEK DURING DAYLIGHT HOURS

FOR MORE INFORMATION VISIT WWW.YCSWA.COM

Curb side collection is provided, you may place your tree at the curb with your regular trash, and it will be picked up by the township public works department December 28, 2009 through January 15, 2010 and will be recycled.

There is no fee to residents. PLEASE REMOVE: Ornaments, tinsel, lights and protective bags from your tree.

Roundtown Elementary School Turns 70.

Roundtown Elementary School opened its doors in 1939 under the watchful watchful eye of principal Caleb Altland. The original school served the community half a century before it was replaced by the present school.

Now at 70, with Matt Miller at the helm, the Roundtown Elementary School History Project hopes to celebrate this achievement by inviting community alumni, faculty, staff and friends to share some of their favorite memories with young students there today.

Our goal is to foster a greater sense of history and pride in their school and to preserve these stories for the future.

If you would like to volunteer to share a story with a student, please contact **Anne Harris at 764-4546 for details.**

ALTERNATIVES TO TOXIC SUBSTANCES

Using alternative products instead of toxic substances drastically reduces the presence of toxics in stormwater and receiving waters. Common toxic substances found in the home are cleaners, automotive products, and pesticides. Other common hazardous substances that are found in homes are fertilizers, paints, and fuels (WEF and ASCE, 1998). This measure is targeted to educating homeowners to prevent such substances from entering stormwater by substituting these common household products with safer, less-toxic alternatives.

The promotion of safer alternative products should be coupled with other efforts designed to reduce the presence of hazardous or toxic materials from households and stormwater runoff. Examples of such programs include hazardous materials collection, good housekeeping or material management practices, proper disposal, oil and automotive waste recycling, and spill response and prevention (WEF and ASCE, 1998).

Examples of commonly used products and safer alternatives are as follows (adapted from Washington State Department of Ecology):

- **Aerosols.** Use pump-type or non-aerosol products.
- **Art supplies.** Purchase water-based paints or inks. They should not contain lead or other toxic materials.
- **Batteries.** Rechargeable batteries are a cost-effective alternative to disposable batteries.
- **Chemical fertilizers.** Composting yard clippings and food scraps is an option. Manure (in measured amounts) is another alternative to chemical fertilizers.
- **Gasoline.** Not driving at all is the best way to reduce gasoline use. Purchasing a super-efficient hybrid or electric vehicle is the next best alternative. Carpooling, walking, bicycling, and public transportation are other viable options.
- **Motor Oil.** Use re-refined motor oil. Doing so will spur the market for recycled motor oil and decrease reliance on new oil supplies.
- **Pesticides.** Keeping homes and gardens tidy reduces the food supply for insect pests, averting the need for pesticides. Onion, garlic, and marigold plants help keep garden pests at bay.
